****** PLEASE do not ask to be at the front of the parade — it is IMPOSSIBLE for everyone to be first! ******

**** PLEASE DO NOT THROW ANY OBJECTS OR CANDY FROM A MOVING VEHICLE INTO THE CROWD****

Parade Route will be Brooks Street to Boyce Street to Mill Street, pick up area will be N Mill Street.

When lining up for the parade please come up AM Nash Road and turn onto Old Georgetown Road, and look for your number on the road. Traffic going one direction makes it safer for everyone involved. **DO NOT MOVE OR GO AROUND BARRICADES.**

It will be dark, please use spotlights as well as decorative lights on your entry. Generators and power inverters can be purchased at local retailers to help with your float decoration. The crowd will not be able to see just a magnet or sign stuck to the side of a vehicle, you will need to use lights. There are even battery operated light strands that can be used to decorate outfits, people etc. We want to see your creativity. You can find some creative ideas on the Main Street Manning Pinterest Board – Parade of Lights.
